**Photography is the art of light;  
Photography is the paradise of creation;  
Photography is a language without border;  
Photography is a bridge of soul.**

Digital technology brings great changes to photography. Taking photos is no longer limited to just a few people, it involves the daily lives of all people. Every individual second could be the subject of “exposure” and be recorded.

Lishui as the first Town of Photography in China, has the first museum of photography in China. The unique photographic museum is sponsored by government. Li Shui city has the top-ranking photography exchange platform and is the best image resource. “Vision image- Lishui Photo” ([www.lsphoto.org](http://www.lsphoto.org)) and “Photography Museum of Lishui”(<http://www.clspm.com>) are set up based on these resources. Now, the two organizations will join with Photo Alliance (<http://english.lsphoto.org>) to hold “The 2<sup>nd</sup> China International Digital Photographic Art Exhibition.” This exhibition will provide more exchange opportunities to photographers all over the world and promote the development of photography. The exhibition is **recognized by the Electronic Imaging Division of PSA. The acceptance of images by the exhibitor could count for PSA Stars and PSA Who's Who.**

We sincerely invite all photographic organizations, professional and amateur photographers and young photographers from all over the world to submit entries to “The 2<sup>nd</sup> China International Digital Photographic Art Exhibition”. All the information about the exhibition will be shown on the website: <http://english.lsphoto.org>.
